BD-E5700 Blu-ray Disc® Player

FEATURES

Smart Hub: Samsung Smart Hub has retooled its Smart Hub feature to further expand its access to a world of online entertainment. Smart Hub also allows you to search through hundreds of apps and use the fully optimized Web Browser for a seamless user experience.

Apps built for TV: Download a wide range of apps for your TV through the Samsung Apps store, which has hundreds of world-renowned apps, such as YouTube™ and Facebook®, and popular local ones available for downloading. Now you can enjoy your favorite apps from the comfort of your couch.

Disc to Digital streaming service: Unlock a digital copy of your DVD collection and access your movies on multiple connected devices.

Samsung Smart Blu-ray™: An exclusive service that turns your TV into an entertainment gateway where you can interact, watch, play and share with friends.

WiFi built-in: With a wireless LAN built in, it is easier than ever to access your apps and enjoy online content.

AllShare™: Through this functionality, you can seamlessly enjoy content from your Samsung smartphone, tablet, digital camera and laptop wirelessly on your TV. Share music, movies, pictures and other content on your devices with your friends and family on the big screen.

ENERGY STAR 2.0: Conserve energy with a 0.3 watt standby consumption rating.
