

NEW SANUS FOUNDATIONS® Furniture Mount System

MODEL FMS01

Introducing the no-drill solution to TV mounting

Enhance your entertainment system with the versatile and stylish Furniture Mount System (FMS). With easy tilt and swivel technology as well as variable height settings that allow up to 10 inches of height adjustment, you'll be sure to have the best seat in the house from anywhere in the room. In addition to an innovative cable management system, small components can easily be attached to the back of the pillar for an organized, clean look. Plus, with its universal design the FMS01 fits nearly all 32"-60" TVs up to 130 lbs. The FMS is compatible with select furniture. Go to SANUS.com/FMS for more information and to see furniture options.

FMS01-B1 shown with JFV60-CH1

Conceals smaller AV components behind pillar with tool free connections for a clean appearance

Easily attaches to FMS Compatible AV furniture and accessories

Mount tilts and swivels without tools for simple viewing angle adjustments

Mount height can be adjusted up to 10 inches ensuring optimal TV height

Provides additional safety and protection from accidental tipping of TV
